KI volunteers conquered the unloading of multiple donation trucks at the Phoenix St. Vincent de Paul location. A big thank you to Laura Francis (and her two daughters!), Frances Saucido and Amy Magaziner who joined me at this first event! We had a wonderful time and felt great after making a difference in the community. Check out our group shot below after we finished our volunteering.

Dear Alex,

faith, hope, love

SOCIETY of ST. VINCENT de PAUL P.O. Box 13600 Phoenix, Arizona 85002-3600 tel 602.261.6886 fax 602.261.6830 www.stvincentdepaul.net

I would like to personally thank you and your group from the Southwest Kidney Center for volunteering your time on June 2nd to serve at St. Vincent De Paul. Your passion for service and your compassion for helping others were obvious as each of you worked on the docks helping to unload the trucks of donated goods. Ultimately, these donated goods will be sorted and placed in our thrift stores for sale. The monies collected from the sale of these goods will be used for programs and services of those in need. It is important to us that you know we value your time and commitment to St. Vincent De Paul. We understand that you have other obligations and we feel fortunate that you have chosen to spend a part of your day to serve others. We hope that all of you left feeling as if you had made a difference in the lives of those you served; you most certainly did!

Serving those less fortunate with dignity and respect, while providing the opportunity for others to serve is our mission here at St. Vincent de Paul. We believe that serving people less fortunate is truly a blessing and therefore we would like to thank you all for donating your time to the people that really need your help. For that we cannot express our appreciation enough.

Thank all of you from the Southwest Kidney Center, for having a willingness to serve and make a difference. We are grateful for the time you donated and would like you to know that your efforts did not go unnoticed. You ALL are appreciated!

Sincerely,
